

Notebook (Computers/Tablets)

- Keep it in the case at all times.
- Don't throw your backpack with your computer in it!
- Power cords cost \$20.00 if lost or broken. Leave them at home.
- Don't lend your laptop to anyone.... if they break it, YOU are responsible for paying for it.
- Make sure you shut down correctly to receive all updates (go to start, power, shut down.)
- Don't change the desktop, backgrounds, etc.
- Bring them to school every day, to every class
- Remember that your every move is being tracked!
- Do not use any products to clean your computer; if need be, use vinegar and water.
- It's your responsibility to charge your notebook every night and/or during Language Arts class.
- Do not try to download ANY programs, games, music, etc.....it is not your personal computer.
- No playing on computers at lunch or recess.
- If you have a problem, bring it to Mrs. Rutter (D108). **Do not let anyone else try to fix it!**
- You will abide by the rules, or your computer could be taken away.

Internet use at home:

1. Click the internet access signal button at the bottom right corner of your desktop.
2. Click on your home wifi network.
3. Enter your home wifi network password (ask your parent or guardian for help).
4. Go to the desktop and double-click on the "At Home Login" icon.
5. Enter the same username and password that you do when you log onto/turn on your notebook computer:

username= firstnamelastname

password= lunchnumber
