

# BEAR RIVER SCHOOL

## IT'S A NOVEL YEAR

**Morning Bulletin**

**Wednesday, October 10, 2018**

### Student Announcements:

- Today is a White Day.
- 8<sup>th</sup> Grade students don't forget to turn in your baby photos for the yearbook
- October is breast cancer awareness month. Falcon Pride is asking that all students wear pink on Fridays during the month of October to honor those we have lost, those that continue the fight and those who have defeated this terrible disease. The classroom with the most participation from the 4-5 grade and 6-8 grade will receive a Reni Buck.
- Falcon Pride has ghosts hidden around campus to celebrate October. These ghosts will not be hidden near the greenhouse or the office. If you are lucky enough to find a ghost, return it to Mr. Guzman in D117 during your Flex period to receive a prize. Happy hunting.
- It is time to start thinking about this year's Relay for Life. This year's event will take place April 26<sup>th</sup> – 27<sup>th</sup> here at Bear River School. AS an incentive, any student who joins a team and raises \$100 by Monday, December 17 will be invited to a special pizza party at lunch. Talk to your friends and create a team for this year's event. See Mr. Guzman if you need additional help.

### Looking Ahead

Oct. 11	FFA Drive thru BBQ
Oct. 11	7/8 VB/FB @ Yuba Gardens - 6 <sup>th</sup> grade VB Home vs Brittan
Oct. 15	Beginning of Girls Basketball Practice
