

BEAR RIVER SCHOOL

IT'S A NOVEL YEAR

Morning Bulletin

Monday, October 8, 2018

Student Announcements:

- Today is a White Day.
- Students today kicks off our annual fundraiser. This will run through next week.
- 8th Grade students please turn in your baby photos to your History Teacher – Baby photos will be due by Christmas Break.
- October is breast cancer awareness month. Falcon Pride is asking that all students wear pink on Fridays during the month of October to honor those we have lost, those that continue the fight and those who have defeated this terrible disease. The classroom with the most participation from the 4-5 grade and 6-8 grade will receive a Reni Buck.
- Talent Try outs will be held in the cafeteria on Tuesday – get together with your friends and plan your skit.
- Swoop tryouts will take place in the Gym on Wednesday @ 12:50
- Falcon Pride will have 25 ghosts hidden around campus to celebrate October. These ghosts will not be hidden near the greenhouse or the office. If you are lucky enough to find a ghost, return it to Mr. Guzman in D117 during your Flex period to receive a prize. Happy hunting.
- It is time to start thinking about this year's Relay for Life. This year's event will take place April 26th – 27th here at Bear River School. AS an incentive, any student who joins a team and raises \$100 by Monday, December 17 will be invited to a special pizza party at lunch. Talk to your friends and create a team for this year's event. See Mr. Guzman if you need additional help.

Looking Ahead
