3. Yearbooks:

- Thank you to everyone that purchased a yearbook. Even though we ordered more this year we still sold out! Because we have had so many inquiries, we have contacted Jostens to see about getting more yearbooks. They would arrive in July and can be picked up over the summer. The yearbooks are \$50, and they must be purchased ahead of time by June 5th with Ms. Taylor if you are interested. There must be a minimum of 25 yearbooks purchased for the company to produce more. We appreciate the overwhelming response from everyone that wanted a yearbook this year.
