Emergency Plan for Early Dismissal

Dear Parent/Guardian,

If school is dismissed early because of power outage, or for other emergency reasons, children may be dismissed and bus riders put on busses earlier in the school day. Therefore, we need to know in advance what plan should be followed for your child in case of an early dismissal. So as not to alarm your child if this is to be a change from his/her normal routine, please discuss with your child what he/she is to do if school is dismissed early.

In the event of a power outage, the phone system would be affected. We must have this form on file in the office and in the classroom so that early dismissal is handled smoothly and quickly. Your child's safety is very important to us.

Please indicate below what plan should be followed for your child and return to your child's teacher as soon as possible.

Child's Name: _____

- Follow normal routine and report home
- Follow daily school bus routine as now practiced
- My child is to go to a different home than normal as follows:

To the home of: _____

Address: _____

Phone #: _____

Other: _____

Parent Signature: _____

IMPORTANT NOTE:

Under most circumstances, the Wheatland School District office would activate an all-call to advise parents of the occurring events. Because of this, it is important to keep your child's emergency card updated with current phone numbers at all times.
